

I, the parent or guardian of the student (“Participant”), grants participant permission to submit a video for the Close Up Foundation’s “Issues I Care About” contest. I have read the contest rules and agree to the following terms. The Close Up Foundation, and anyone authorized by the organization, has the full authority to use, publish, and display participant’s images and/or voice as it is contained in the video in connection with promoting or marketing the contest or its theme, and future contests, materials or as Close Up determines.

The rights described in these official rules begin immediately upon submission of the video. The Close Up Foundation has no obligation to post or display any submitted piece and may at its discretion remove any submitted pieces at any time. The participant releases and indemnifies Close Up from any and all claims by third parties or the participant in connection with the submitted piece.
