

EMPOWERING GIRLS' VOICES: CIVIC LEADERS

PROGRAM OVERVIEW

Starting January 2022, Close Up and the National Coalition of Girls' Schools will offer *Empowering Girls' Voices: Civic Leaders* program. This is a special opportunity to nominate six 6th and 7th grade students (ages 11-13) to represent your school in an examination of today's most pressing issues with other girls from across the world. Over 1,000 students from more than 65 girls' schools participated in *Empowering Girls' Voices*, and we hope you will too!

Through this series of four online civic engagement workshops, students will build the foundational skills for active and engaged citizenship, learn there are many pathways to change, and consider strategies they might use to address an issue they care about in their communities.
