

PAST PRESIDENTIAL INAUGURATION HIGHLIGHTS

Your nation's capital moves into high gear when a new President takes office. Close Up has given students from across the country an opportunity to be part of Inauguration for nearly five decades. We know it all starts a few days before the actual swearing-in, and with our expert staff and close-in hotels, we know how to make sure you and your students are at the center of it all.

You'll be here not only to witness the swearing-in of the new President and the Inaugural parade, but experience all of the festivities leading up to the big day – including Official Inaugural Committee events and exclusive Close Up celebrations! Here are just a few of our past Inaugural highlights:
